

GOVERNMENT OF JAMMU AND KASHMIR
OFFICE OF THE TRANSPORT COMMISSIONER
J&K, JAMMU.

The All Trade Certificate Holders,
J&K, State.

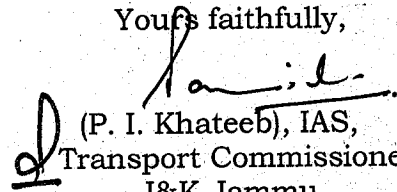

NO: TC/JK/ 579-607
Subject: Temporary Registration Numbers.

Dated: 28.01.2016

Dear Sir,

It has come to my notice that some trade certificate holders are indulging in the illegal activity of 'managing' non High Security Registration Plates, (HSRP) by providing improvised temporary registration number plates. Further an amount higher than the prescribed fee for allotment of temporary registration number under section 43 of Central Motor Vehicle Act 1988 & Rule 47 of J&K Motor Vehicle Rule 1991, is reportedly charged for this job. I understand that this practice, apart from over charging the vehicle owner, is resulting in encouragement of use of non HSR plates on the vehicles. You are advised to kindly ensure that no "Formal" plate for temporary registration numbers is arranged for the customers as it also exposes you to the contravention of rule 55 of J&K Motor Vehicle Rules 1991 for defaults that can lead to a penalty of Rs 20,000 in each case. It is reiterated that under no circumstances should a customer be charged higher than the prescribed amount for allotment of temporary number. An undertaking to this effect needs to be endorsed while applying for new temporary registration blocks from the respective RTOs/ARTOs.

Yours faithfully,

(P. I. Khateeb), IAS,
Transport Commissioner,
J&K Jammu.
